

**Our Lady of Perpetual Help
Tuition Assistance Fund
of Notre Dame Academy
In Memory of Sister Agnes Clisson and
Sister Anne Perrin**

Criteria

Notre Dame Academy's OLP-TAF has limited funds available to assist families in need of financial assistance for tuition. A small number of awards will be made for the school year 2010-11. These funds can only be allocated to families who meet the following criteria:

- Demonstrate a financial need.
- Members of St.Thérèse of Carmel Parish.
- No student shall be given a full tuition grant. Notre Dame Academy expects some contribution from the student's family.
- This tuition assistance is for existing students or prospective students who have been accepted for admission to NDA.
- Tuition assistance is granted for basic tuition only. Preschool or pre-kinder students are not eligible for tuition assistance.
- Note: Families who have received tuition assistance in previous years are not guaranteed continued funds, nor are given any preference. A new application must be submitted every year.
- Once all criteria have been met, please make an appointment with Sister Pascale to begin the application process.
- **ALL APPLICATIONS MUST BE SUBMITTED BY JANUARY 31, 2010.**

The OLP-TAF Committee will grant awards after careful review of all applications. Confidential financial documents, such as tax returns, will be submitted for review by FACTS, a third party not related to the OLP-TAF, the school, the parish, or the immediate community.
